

For those who “knuckle-bust” at shows, these forms may be helpful.

1. When you imprint the card, please make sure that the card number and exp.date is clear.
2. If you don't want to record everything, make sure to get an address and phone number.
3. Remind your customer how the charge will appear (your name or dba name) on their bill.
4. These can either be attached to your imprinted forms or simply kept for future reference.
